

pink

odor eliminator | air refreshener
mediterranean lavender

fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

Pink is a highly concentrated water-soluble deodorizer and air freshener that combines 'three technologies in one' to make it a truly superior product. This all-in-one product eliminates the most challenging malodors including cigarette smoke, urine, feces, vomit, pet, fish, sweat and decomposing wastes while leaving in their place an extremely gentle and pleasant smell.

features

- Chemical binding agents that chemically trap and bind malodorous molecules.
- Odor masking agents to mask offensive odors.
- A combination of unique fragrant materials that diffuse a pleasant odor throughout the area where product is applied.
- Chemical agents that kill odor-causing bacteria.

optimal applications Room deodorizer (non-smoking and smoking), bathrooms, carpets and upholstery, car interiors, cat litter, garbage dumpsters, trash cans and poultry houses.

ideal for Hotels, institutions, hospitals, nursing homes, restrooms, recreational vehicles, waste disposal areas, and wherever malodors occur.
