disinfectant | toilet bowl cleaner

rosewater

EPA Registration Number 10324-85-84179

**fusion series** is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

**Purple** is a ready to use non-acid bathroom cleaner that cleans, deodorizes, and disinfects in one easy step. Ideal for floors, walls, countertops, toilets, urinals, fixtures, or wherever cleanliness, germ and odor control are important. This unique product is pseudomonacidal, salmonellacidal, fungicidal, and virucidal. Effective against HIV-1(AIDS Virus).

## features

- Viscous, vertical clinging formulation makes it especially effective in cleaning and eliminating odors in urinals and toilet bowls.
- Reduces dangers associated with strong acidic bowl cleaners.
- Eliminates many odors at their source by killing bacteria which produce the odor.
- EPA registered as a disinfectant for hard, nonporous surface.
- Cleans toilet bowls, showers, ceramic tile, and most metal surfaces.

**optimal applications** public restrooms, urinals, toilet bowls, shower stalls, sinks, tubs and tiles, walls, tables, floors.

**ideal for** Institutional facilities, hotels, motels, public restrooms, department stores, child day care facilities, airport terminals, nursing homes, sports and recreation clubs, and health care facilities.

environmentally preferred  
**green cove**<sup>™</sup>  
Biodegradable
