

# rose

odor eliminator | air refreshener

white blossom

**fusion series** is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

**Rose** is a highly concentrated water-soluble deodorizer and air freshener that combines 'three technologies in one' to make it a truly superior product. This all-in-one product eliminates the most challenging malodors including cigarette smoke, urine, feces, vomit, pet, fish, sweat and decomposing wastes while leaving in their place an extremely gentle and pleasant smell.

## features

- Chemical binding agents that chemically trap and bind malodorous molecules.
- Odor masking agents to mask offensive odors.
- A combination of unique fragrant materials that diffuse a pleasant odor throughout the area where product is applied.
- Chemical agents that kill odor-causing bacteria.

**optimal applications** Room deodorizer (non-smoking and smoking), bathrooms, carpets and upholstery, car interiors, cat litter, garbage dumpsters, trash cans and poultry houses.

**ideal for** Hotels, institutions, hospitals, nursing homes, restrooms, recreational vehicles, waste disposal areas, and wherever malodors occur.

## environmentally preferred green cove™

This product meets our Green Cove standard. Environmentally Preferred Green Cove products reflect our commitment to protect the environment, operate in a sustainable fashion and deliver products that make a difference for our planet and our customers every day.
