| 01 | Chemical Product and Company Identification | Product Name Product Use Product Code For Medical Emergency Supplier's Information | Silver Stainless Steel Polish 3281 Call 'Chemtrec' 1-800-42 Santec Inc. 1420 East Linden Avenue | | | | |
| 02 | Hazards Identification | GHS Classification: 1. Skin - Category 2A GHS Label Element: 2. Eyes - Category 2A 3 Signal Word: Warning 4 Hazard Statement: May cause eye or skin irritation. 4 Precautionary Statements: Wear protective gloves and eye protection. 5 Wash thoroughly after handling. 4 | | | | | |
| | | Acute Effects Eyes: Eye irritant. May cause redness or swelling. Skin: Slight skin irritant. Inhalation: No known acute effects resulting from inhalation. Ingestion: May be irritating to the mouth, throat and gastrointestinal system. Symptoms may include nausea, vomiting, diarrhea and cramps. Chronic Effects Carcinogenicity: No known critical effects or critical hazards. Product /Ingredient Name: Not available. | | | | | |
| | | | | | | | |
| 03 | Composition/ Information on Ingredients | Name of Hazardous Ingredie Alcohol, C9-11, Ethoxylated White Mineral Oil | nts CAS No. 68439-46-3 8042-47-5 | WT.% 20-30 10-20 | | | |
| 04 | First Aid Measures | Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. Skin Contact: Wash skin with copious amounts of water. If symptoms persist seek medical attention. Inhalation: Remove to fresh air. Seek medical attention if irritation persists. Ingestion: Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately. | | | | | |
| 05 | Fire Fighting Measures | Suitable Fire Extinguishing Media: Use water spray, fog or foam Specific Hazards Arising from the Chemical: In a fire or if heated, a pressure increase will occur and the container may burst. Hazardous Thermal Decomposition Products: No Specific Data Specific Fire-Fighting Methods: Promptly isolate the scene by removing all persons from the vicinity of the incident if there is a fire. No action shall be taken involving any personal risk or without suitable training. Specific Protective Equipment for Fire-Fighters: Fire-Fighters should wear appropriate protective equipment and self contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure mode. | | | | | |
| 06 | Accidental Release Measures | Spill Clean Up: Put on appropriate personal protective equipment (see section 8). Stop leak if without risk. Move Containers from spill area. Dilute with water and mop up if water-soluble or absorb with an inert dry material and place in an appropriate waste disposal container. Dispose of via a licensed waste disposal contractor. | | | | | |

| 07 | Handling and Storage | Handling: Put on appropriate personal protective equipment (see Section 8). Do not get in eyes or on skin or clothing. Do not breathe vapor or mist. Do not ingest. Keep in the original container or an approved alternative made from a compatible material, kept tightly closed when not in use. Do not reuse container. Wash thoroughly after handling. Storage: Store between the following temperatures: 4.44 to 48.9°C (40 to 120°F). Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials (see section 10) and food and drink. Separate from acids. Keep container tightly closed and sealed until ready for use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination. | | | | |

*NOTE: Hazard Determination System (HDS) ratings are based on a 0-4 rating scale, with 0 representing minimum hazards or risks, and 4 representing significant hazards or risks. Although these ratings are not required on SDSs under 29 CFR 1910.1200, the preparer may choose to provide them. HDS ratings are to be used with a fully implemented program to relay the meanings of this scale.
