COMFORT

CLEAN COMFORT | that new clothes feel

Swift is a heavy duty built detergent powder. It combines detergency with alkalinity to achieve superior performance without the need for additional alkalinity builders. Swift is hard water tolerant. It is also highly effective at removing grease and oil, and is safe for use on all fabric types. Swift is compatible for use with bleach.

directions for use

For normal soils use 8 to 16 oz. *Swift* per 100 lb. load. For heavier soiled loads and to optimize use levels for your specific needs contact your Santec technical representative.
